What is TM Prime MP?

TM Prime Portfolio is a concentrated portfolio that blends tactical bets with long-term winners and provides investor advantage with a mix of long-term compounders as well as special company/sectoral picks.

Key Features at a Glance

Blend of **long-term winners (70-75%)** with **tactical bets (25-30%)**.

Well-diversified portfolio comprising **large, mid and small cap** companies.

Our Investment Edge

Long-Term Winners (70-75%)

Stocks relevant from a 12-18 month perspective–these are companies which have a proven track record of profits over 3-5 years, meaningful growth triggers & beaten down stocks with favourable risk reward.

Tactical Bets (25-30%)

Stocks that are relevant from 3-6 months horizon. Major buy triggers include a change in government policy, industry consolidation and company-specific opportunities.
